(Copper + Divisions only)

Competitive round robin play runs Thursday evenings at Rhythm & Cues (start date TBA)

Here's what you can look forward to:

You'll become a sanctioned member of the VNEA, the largest amateur pool association in the world, and you'll learn how to play by standardized international rules. Handicapped scoring allows players of all skills levels the chance to succeed and advance their individual and team standings. Copper to Platinum divisions are ranked using the TRS system of player ranking from 10 to 100. Track your team's progress with weekly standings and statistics. Win individual and team achievement awards. Compete in local, provincial and international tournaments. Attend the year-end tournament and banquet, featuring cash and prizes.

Team registrations will be accepted no later than September 16th, 2011 on a first-come first-served basis.
